Do you have a skill? Do you love to perform?

Whether you can juggle, fire breath or stilt walk, the Peacock Promo team would like to know. We get involved in all sorts of fun - from commercial product launches to supporting local community groups & events. We've just been supporting the Manchester Day Parade with dragons & knights and are already looking to secure fresh talent for a "Village Fete" ... in Albert Square next Easter. If you're outgoing, can play to an audience & have anything that little bit different, give us a call or drop us an email.

... We're waiting !
